## 2009-2010 Tucson Attractions Passport

Travel the region with your Tucson Attractions Passport - an exclusive pocket savings guide to the best there is to see and do in Southern Arizona. Enjoy money-saving 2-for-1 offers plus other great discounts.

Dear Alfa Friends,

We found that many of the attractions below are not suited to large-group bookings. Therefore, we have made arrangements to pick up Attraction Passports for anyone who would like to have one. Just fill in the appropriate blanks on your Rally Registration Form and add the \$15 to your overall cost. Note: We were successful in setting up an Alfa Group Tour for the Arizona-Sonora Desert Museum, so consider which way works best for you. For example you might want the Passport, but to do the museum trip with our group. You can buy the Attractions Passport and visit the museum on your own (plus have discount tickets for the other attractions), or you could join us in the Alfa Group Tour of the museum for \$9 per person whether you have the Passport or not.

**Passport expires September 15, 2010. More than \$400 in savings for only \$15!**

## A Best Bet for any Tucson Visit – The Arizona/Sonora Desert Museum

For a half-century the Arizona-Sonora Desert Museum has enchanted millions of visitors with its exhibits of live animals in astonishingly natural settings, while intriguing and instructing them with fascinating educational programs. At the same time, the Museum has gained a worldwide repute in the scientific community as an institution committed to researching and protecting the land, plants, and the animals of the Sonoran Desert region.

The mission of the Arizona-Sonora Desert Museum is to inspire people to live in harmony with the natural world by fostering love, appreciation, and understanding of the Sonoran Desert.

The Arizona-Sonora Desert Museum is a world-renowned zoo, natural history museum and botanical garden, all in one place! Exhibits re-create the natural landscape of the Sonoran Desert Region so realistically you find yourself eye-to-eye with mountain lions, prairie dogs, Gila monsters, and more. Within the Museum grounds, you will see more than 300 animal species and 1,200 kinds of plants. There are almost 2 miles of paths traversing 21 acres of beautiful desert.

The Museum is primarily a walking experience. Wheelchairs and strollers are available free of charge on a first come first served basis. They also have electric scooter wheelchairs available for \$10 each. All exhibits may be reached by wheelchair. Some paths are unpaved, and there are some hilly areas.

The Desert Museum is primarily an outdoor experience, so wear a hat, sunscreen, and comfortable walking shoes. Drinking fountains, shade ramadas, and restrooms are scattered throughout the grounds. All indoor exhibits are cooled for your comfort.

Two gift shops offer an excellent inventory of native products, jewelry, shirts and hats, pottery, children's items, books, gems and minerals, and other southwest merchandise.

In addition to a small picnic area, they have two restaurants, a coffee bar and ice cream shop to satisfy your hunger.

Pets are not allowed on the Museum grounds or parking lots. Only service animals are permitted.

More information about the Arizona-Sonora Desert Museum can be found in the following [books from ASDM Press](#): *All About the Arizona-Sonora Desert Museum* (a great souvenir book), and *Arizona-Sonora Desert Museum: A Scrapbook* (full of behind-the-scenes stories), as well as their web site: <http://www.desertmuseum.org/>

### Other Special Activities

#### Got Books???

Please bring your used paper and hardback books to the rally for contribution to our Book Fair. All proceeds will be donated to charity. The Book Fair will be available each day of the rally for you to purchase books for a nominal fee.

## Get Fit!

Take a Hike – Make a Splash – Ride a Bike

Rally 2010 will be offering morning walks and water aerobics (yes, the water is warm), as well as a four hour hike and two morning bike rides. Pick and choose the activities that suit you best.

## Golf

Our Alfa Golf Tournament will be played at The Pines Golf Club at Marana. The *Pines Golf Club* is Tucson's best public golf course. It is one of those rare, and unusual, but very beautiful golf courses. A unique desert tract of 18 exceptional holes, 10 of which were carved from a reclaimed sand and gravel quarry, the Pines Golf course offers extraordinary views not found anywhere else in Tucson. The landscape is unique, arid, featuring dramatic elevation changes and stark terrain complimented by the addition of thousands of trees. The Pines Golf Club at Marana is rated one of Tucson's premier courses.

## Craft Classes

Your Rally Hosts, The South Loafers have arranged for a number of interesting craft classes to be given to small groups. Please watch for opportunities to view examples of what you can expect to create in these classes and a chance to sign up. There are small fees for these classes to cover the cost of materials.

## Seminars

You will have the opportunity to attend several informative seminars of interest to RV owners while you are enjoying your stay at beautiful Rincon Country West RV Resort. These presentations are provided by respected professionals in various RV-related fields.

## On-site Service and Repairs

There will be several groups of professional RV and automotive specialists available to help you with your RVing needs. Be sure to watch in your welcome packets for special promotions and discounts on quality repairs.

## Yard Sale & RV Mods-Walk

This year, South Loafers will present an old favorite, the RV Yard Sale, and a new experience, the RV Mods-Walk. The latter provides us all a chance to see innovative modifications that our fellow Alfa RVers have made to their motor homes or 5<sup>th</sup> Wheels. If you have made modifications to make your Alfa more convenient, safer, attractive, functional, or just to better suit your needs, and would like to share with others what you've done, please fill out the questionnaire on the next page, and we'll try to fit you into the RV Mods-Walk and or discussion talks.
